MCNALLY GETS HIS FIRST LOOK AT SANDOWN IN V8 UTES
31 July 2009

Glenn McNally got his first look at the Sandown circuit today when he hit the track for a solitary 20 minute practice session.

Having never driven the circuit before Glenn was keen to get a first hand look at the famous circuit.

"I have watched racing at Sandown on TV for many years and have been really looking forward to experiencing it for myself," Glenn said.

The single session meant Glenn had to make sure he familiarised himself with the circuit quickly, and that he did, posting the 12th fastest time towards the end of the session.

"The heavy braking at the end of the straights is taking a bit to get used to," Glenn said.

"Carrying speed down the hill at the end of the back straight is probably where I will gain the most time."

Glenn will go into qualifying tomorrow with new tyres and, as usual, give it a red hot go.

The weekend's schedule is as follows:
Saturday, 1st August Qualifying 12:35pm
Saturday, 1st August Race 1 2:30pm
Sunday, 2nd August Race 2 9:40am
Sunday, 2nd August Race 3 3:40pm
